Alexandria, VA 22313-1450

A staff member of Applicants' representative, Kacia Lee, contacted the U.S. Patent Office Petition Branch on October 26, 2006 and spoke with a representative, Stephen Brantley, in order to inquire on the status of a Petition to Revive Abandoned Application filed on July 30, 2004. Pursuant to this teleconference, Mr. Brantley advised that the Applicants should re-submit a COPY of the Petition to Revive Abandoned Application Under 37 C.F.R. 1.137(b) and related paperwork, as previously filed with the U.S. Patent Office. Accordingly, copies of the Petition to Revive Abandoned Application, related paperwork associated with the petition, as well as a copy of the date-stamped itemized postcard as evidence of U.S. Patent Office receipt of the petition on August 4, 2004, are submitted herewith.

Since this COPY is submitted at the request of the Petitions Branch and any fees associated with the filing of same were previously paid, it is believed that no additional fees are due at this time. However, please charge Deposit Account No. 19-0743 if any fees are deemed necessary.
